

# Madden Room

This lovely, elegantly furnished room, takes its name from the original owners of the orchard mansion. The room has a classic Eastlake queen bed and Victorian era furnishings. The bedroom, and the large private bathroom offer breathtaking and commanding views of the front pasture and the entire Rogue Valley, with the peaks of Mt. McLaughlin and Roxy Ann in the distance. The masculine décor of the room makes it elegantly fit for any turn-of-the century land baron.

Double/Single Occupancy \$185 night
